

As a reminder, hotel group bookings (6 or more rooms per team) for the SCVA Las Vegas Classic will launch next **Tuesday, October 28th at 8:00am Pacific Time.**

Please review the important details and requirements below before submitting your request.

Mandatory “Support the Sport – Stay and Play” Policy

All teams must book directly through KC Sports Housing. Booking through the hotel or any third-party website will not comply with this policy.

Key Dates:

- **Block Requests** (6+ rooms): Go live on **Tuesday, October 28th at 8:00 AM PT**
- **Individual Requests** (5 or fewer rooms): Go live on **Tuesday, November 11th at 8:00 AM PT.**

Important Requirements & Notes:

1. Teams **must be fully registered for the tournament on SportWrench** to request housing. Being on the waitlist does not qualify.
2. Each team may submit a request for **only one hotel**. Submitting requests for multiple hotels will result in all requests being denied. *If you have parents that do not want to book at your team hotel, they can submit an individual request on November 11th - once they book at one property, they cannot move to another within our system.*
3. **Top-choice hotels go extremely quickly.** Your request is not confirmed until you click **Submit**, see a **confirmation on your screen**, and receive a **confirmation email**.
4. If you receive an error when submitting, it means another team submitted first and took the rooms from inventory. Please select another hotel.
5. All submissions are **just requests**. Once your request is approved, you will receive a booking link to send to parents so they can individually book rooms.
6. Please note: If you need to **release/drop less than 10 rooms**, this is done automatically with no penalty.

Thank you for following these guidelines to ensure a smooth booking process and to support the event.

We look forward to seeing you in Las Vegas for the 2026 SCVA Las Vegas Classic!
